Video Editor

Description

This is an Entry Level Position:

An ideal candidate for this position would be someone who is highly creative and passionate about video editing and digital content creation. They should have a bachelor's degree in film production, video editing, or a related field, as well as experience in editing short-form video content for digital platforms.

The ideal candidate should be proficient in video editing software, such as Adobe Premiere Pro, Final Cut Pro, or DaVinci Resolve, and possess strong attention to detail and the ability to deliver high-quality work. They should also be able to work collaboratively in a fast-paced and dynamic environment, and have creative problem-solving skills and the ability to think outside the box.

A strong portfolio of previous video editing work is a plus, as it demonstrates the candidate's skills and creativity. Additionally, the ideal candidate should be someone who is eager to learn and grow within the company, as there are opportunities for growth and advancement within Neemopani.

Overall, the ideal candidate should be someone who is passionate about digital content creation and advertising, has strong technical skills in video editing, and is able to collaborate with others to continuously improve the quality of our video content.

Responsibilities

- Edit video content for various digital platforms, including YouTube, social media, television, and cinema.
- Work with producers and creative teams to develop and execute video concepts.
- Select and edit sound bites and music to complement video content.
- Utilize graphics and animation to enhance video content.
- Ensure final products are delivered on time and meet Neemopani's high standards.
- Collaborate with other team members to continuously improve our video content.
- Shoot Videos from time to time.

Qualifications

- Bachelor's degree in film production, video editing, or a related field.
- Proficient in video editing software, such as Adobe Premiere Pro, Final Cut Pro, or DaVinci Resolve.
- Experience in editing short-form video content for digital platforms.
- Strong attention to detail and ability to deliver high-quality work.
- Ability to work collaboratively in a fast-paced and dynamic environment.
- Creative problem-solving skills and ability to think outside the box.
- Passion for digital content creation and advertising.
